

SDS: 66123-1128E51EEN Date prepared: 2016/07/20

Product name: ECHO GREASE X695-000060

Gear Lubricant for Trimmer/Brushcutter/Hedge Trimmer

1. Identification of the substance/mixture and of the company/undertaking

Product name: ECHO GREASE X695-000060

Identification of the Yamabiko Corporation

Supplier:

Address: 7-2 Suehirocho 1-chome Ohme Tokyo 198-8760 Japan

Charge Section: Business Administration Department

(81-428-32-6100)

2. Hazards identification

Hazard category Category

Acute toxicity (oral)

Acute toxicity (dermal)

Specific target organ systemic toxicity

No Classification

Following repeated exposure

Aspiration t No Classification

LABEL ELEMENTS

Precautionary pictogram:

Signal word:

Hazard Statement:

Not applicable

Not applicable

Precautionary Statement:

Prevention Do not handle until all safety precautions have been read

and understood.

Wear protective gloves/protective clothing/eye Protection /

face protection.

Do not allow the eyes to become exposed to the product. Do

not swallow the product.

Wash hands thoroughly after handling.

Do not eat, drink or smoke when using this product.

Response IF SWALLOWED: Immediately call a POISON CENTER or

Doctor/physician.

IF SWALLOWED: Rinse mouth. DO NOT induce vomiting. If the eyes are exposed to the product: Rinse the eyes with plenty of running water and immediately contact a physician.

IF ON SKIN: Wash with plenty of soap and water.

Take off contaminated clothing and wash before reuse.

Storage The product must be stored in a cool, well-ventilated location

where it will not be exposed to direct sunlight.

Containers that have been opened must be tightly sealed.

Disposal Dispose of contents/container in accordance with local /

regional / national /international regulations.

If there are any doubts about proper methods of handling the

product, contact the point of purchase before proceeding

with usage.

SDS: 66123-1128E51EEN Date prepared: 2016/07/20

Product name: ECHO GREASE X695-000060

Gear Lubricant for Trimmer/Brushcutter/Hedge Trimmer

3. Composition / information on ingredients

Substance/Mixture Mixture

Ingredients and concentration

Ingredient name	Concentration wt.%	
Base oil(s)	70 - 80	
Thickener	10 - 20	
Additives	<10	
2, 6-Di-tert-Buthyl-4-Cresol	0.1 – 0.9	

4. First-aid measures

Inhalation: IF INHALED: Remove victim to fresh air and keep at rest in a

position comfortable for breathing.

Cover the body with blankets to keep warm and quiet. If you

feel unwell, seek medical advice.

Immediately flush skin with large amount of water. Skin contact:

Wash contaminated clothing before reuse.

If skin irritation occurs: Get medical advice/attention.

Rinse with clean water carefully for several minutes. Eye contact:

Remove contact lenses if present and if removal is easy, then continue rinsing. Rinse for 15 minutes at a minimum

and seek medical attention.

Do not induce vomiting. Drink [one glass] [two glasses] of Ingestion:

water. Call a physical (or poison control center) immediately.

5. Fire-fighting measures

Suitable Extinguishing Media: Mist of loaded liquid, dry chemicals, carbon dioxide, fire

foam, and dry sand are effective.

Use of straight stream of water can create a risk of Extinguishing Media to Avoid:

spreading fire.

Specific hazards arising from

the chemical:

In some cases of fire, may release irritant gases.

Fire Fighting: When burnt, may generate carbon monoxide and other toxic

gases. Spray water to the surrounding facilities for cooling.

Keep unauthorized person off the site of occurrence of fire

and the surroundings.

Even after extinction, cool containers thoroughly with plenty

of water.

equipment and precautions

Special protective

Wear fire/flame resistant/retardant clothing.

for fire fighters.

Fight fire from windward direction while wearing protective

equipment. If contact with skin is expected, wear impervious

protective equipment and gloves.

Use air-breathing apparatus and protective clothing

whenever necessary.

SDS: 66123-1128E51EEN Date prepared: 2016/07/20

Product name: ECHO GREASE X695-000060

Gear Lubricant for Trimmer/Brushcutter/Hedge Trimmer

6. Accidental release measures

Personal precautions,

Wear protective equipment when working.

protective equipment and

emergency procedures: Remove nearby potential ignition sources immediately.

When mist is generated, use respiratory equipment to

prevent inhalation of mist.

Do not touch or walk through spillage.

Pay attention to the site of spillage, which is slippery.

Environmental precaution Prevent spreading of oil spill with earth and sand, sandbags,

or other proper materials and use care not to allow the oil spill to flow to street drains, sewer systems, and rivers.

At sea, install oil spill containment booms to prevent spreading of spills ad absorb with absorption mat or other

proper materials.

Methods and materials for containment and cleaning

and cleaning materials.

up: In case of spillage in large quantity, enclose with

embankment to prevent spreading of spillage and collect

absorbing with earth, sand, sawdust, waste, or other proper

In case of spillage in small quantity, collect spillage by

spillage in empty containers to the extent possible.

Prevention of second In case of spillage, immediately inform the organizations concerned of the spillage to prevent possible accidents and

spreading of spillage.

Remove nearby potential ignition sources immediately and make fire-extinguishing agents available. Remove spillage completely and ventilate and clean the site and the

surroundings.

accident:

7. Handling and storage

Technical measures:

Handling Keep away from any possible contact with sparks, open

flames, and high-temperature materials, and do not allow

release of vapor without justification.

Use pumps or other proper equipment for taking out from containers. Do not siphon with your mouth using a tube. Do

not drink.

When mist is generated, use respiratory equipment to

prevent inhalation of mist.

In case of vapor/mist dispersion, install a closed system, local ventilation system, and/or other proper equipment for

the sources of vapor/mist generation.

Avoid rough handling of containers such as falling, dropping,

exposing to shock, and dragging.

Ventilation requirements:

Maintain adequate ventilation when handling indoors.

Week hands and face the roughly effer handling.

Wash hands and face thoroughly after handling.

Precautions: Be careful with fire.

Precaution for safe Avoid falling, dropping, exposing to shock, or dragging of

containers.

handling:

SDS: 66123-1128E51EEN Date prepared: 2016/07/20

Product name: ECHO GREASE X695-000060

Gear Lubricant for Trimmer/Brushcutter/Hedge Trimmer

Wear protective gloves when opening containers to

eliminate a risk of hand injury.

Storage Store in a well ventilated, cool, dry, dark place, protecting

from direct sunlight and keeping away from any potential

Storage conditions: ignition sources and high-temperature materials.

Store tightly stopped after use to prevent possible

contamination with dust and moisture.

Safety adequate container Preferably store

Preferably store locked up in a proper storage area.

materials: Use spill-proof containers that are free of damage/corrosion.

8. Exposure controls / Personal protection

Appropriate engineering

controls:

In case of mist generation, enclose the source of mist

generation, or install a ventilation system.

Install eye cleaning and body cleaning equipment near the

handling site.

13. Disposal considerations

Disposal Dispose of contents/container in accordance with local / regional / national /

Methods: International regulations.

Every customer/user of he product should dispose of industrial waste on its

own responsibility, otherwise it must rely on a company authorized by prefectural governor for treating industrial waste or a local public body

involved in the disposal of industrial waste for proper disposal. Before disposal of used container, remove contents completely.

14. Transport information

IMDG UN Classification] Not applicable

Specific security precaution and Transport containers without causing any significant

Condition of transportation: friction or shaking.

15. Regulatory information

Korea (KECL): All components are listed or exempted.

Australia (AICS): All components are listed or exempted.

Canada (DSL): All components are listed or exempted.

China (IECSC): All components are listed or exempted.

EU(REACH): In the case where one of more components are not listed or, even if

listed, in the case of importing to the country or area concerned, and

application or notification is required.

New Zealand (NZIoC): All components are listed or exempted. USA (TSCA): All components are listed or exempted. Philippines (PICCS): All components are listed or exempted.

Taiwan: All components are listed or exempted.

16. Other information

Disclaimer We at Yamabiko Corporation have prepared the copyrighted Safety

Data Sheet to provide reference information on the hazardous chemical product of interest for our customers/users to ensure

secure and safe handling

We would like every customer/user of the product to refer to the information and understand the necessity of taking appropriate

measures for the actual handling conditions on their own

responsibilities for optimum practical application of the product of the

interest.

Consequently, the Safety Data Sheet is not intended to guarantee

the safety of the product referenced to herein.
